IDEAL IMPLANT® BASIC PROTECTION

When you choose IDEAL IMPLANT®, you not only enjoy the beautiful look and feel you are looking for and the peace of mind of only saline inside—you're also automatically enrolled at no cost in the Basic Protection Plan provided by Ideal Implant Incorporated. Financial assistance helps with the uninsured out-of-pocket costs of surgery for deflation for 10 years.

IDEAL IMPLANT® PREMIUM PROTECTION

This plan offers best-in-class protection with more extensive financial assistance to help you avoid the cost and worry of unexpected, uninsured costs—for life.

**Protection provided by Ironshore Insurance,
a Liberty Mutual Company**

RENEWABLE FOR LIFE

REPLACEMENT IMPLANT

Both plans provide free IDEAL IMPLANT® replacement during lifetime for deflation and first 10 years for capsular contracture.

IDEAL IMPLANT® PREMIUM PROTECTION BENEFITS

You choose the Structured IDEAL IMPLANT® to feel both beautiful and secure. Now choose the Premium Protection Plan for additional peace of mind, with benefits above and beyond those offered with other implants:

- **\$10,000 PROTECTION** during the first 60 days after your procedure for bleeding, infection, anesthesia, blood clots and wound healing events.
- **\$5,000 PROTECTION** during the first year for capsular contracture, deflation, insertional scar revision and related events.
- **\$5,000 PROTECTION** during renewal years for capsular contracture, deflation, insertional scar revision and related events.
- **REPLACEMENT IMPLANT** during lifetime for deflation and first 10 years for capsular contracture.
- **RENEWABLE ANNUALLY FOR LIFE** for greater peace of mind and financial protection.

For the Premium Protection Plan, Leavitt Risk Partners is authorized as a general underwriter. Restrictions and limitations apply including, but not limited to, the requirement that the patient return to the operating surgeon, if practical. Coverage allows the surgeon to authorize and provide medically necessary healthcare for Covered Events at no additional cost to the patient up to the approved protection limit.
